Every three months, artist work is moved to a new location in the gallery – this keeps our gallery fresh, encourages artists to bring new artwork into the gallery, and rotates artists around the gallery. You are expected to participate in show changes 4 times per year. You must notify the curator if you are unable to participate.

If accepted as a guest artist, will you be willing to have photos of your art work used for publicity purposes? _____ Yes _____ No

Basic requirements for a Guest Artist:

I have read and understand the requirements and, if selected, will be willing to become part of Yucca Art Gallery in whatever capacity I choose.
