

Yucca Art Gallery Guidelines for Membership

Revised **May 2022**

Thank you for inquiring about membership in our co-operative art gallery! We are an Equal Opportunity business. We do not discriminate on the basis of race, religion, color, sex, age, national origin or disability. For more general information about the gallery and to learn more about our artists, please visit our website at www.yuccaartgallery.com.

New artist work is juried during our general meetings held on the second Monday of the month. We meet every other month (January, March, May, July, September, and November). Please complete application, **one per medium to be judged, for the wall, craft, or jewelry**, and bring to Yucca Art Gallery during business hours. You will be contacted to meet with the curator of your type of work. Please bring 3 to 5 pieces of a representative sample of your work, **including prices**, and attach a minimum of 3 photographs of your work (4"x6" or larger, photographs will not be returned unless requested after you become a member) to this meeting with the curator. The curator will talk to you about our "guest artist" process, our training procedures, what it means to be a member of a co-op gallery, and bringing your work to the gallery meeting for jurying by the membership.

If you are juried into the gallery, you will go on a waiting list until there is an appropriate space in your medium available. When there is space for your work, you will come in as a "guest artist". At the end of a trial period, gallery members will review your work and performance and vote on permanent membership.

You cannot join Yucca Art Gallery if you display your artwork in another gallery in the Patio Market. If you display your art work in another gallery in Old Town, it must be with a completely different style or medium than that to be displayed in Yucca Art Gallery.
